The University of Iowa

## Media Mentions for November 21, 2025

### [UI President Barbara Wilson discusses Center for Intellectual Freedom, federal changes](#) | **Daily Iowan**

DI staff sat down with President Wilson on Thursday to discuss capital projects and higher education changes, among other topics.

### [The grab list: how museums decide what to save in a disaster](#) | **The Economist**

**Rod Lehnertz**, senior vice president for finance and operations and university architect, was interviewed about 2008 campus flooding along with former art museum interim director **Pamela White**, and former curator **Kathy Hayslett**.

### [UI professors guide students through AI white collar workforce shift](#) | **Daily Iowan**

UI accounting professor and department head **Ryan Wilson** and **Emily Campion**, associate professor of management and entrepreneurship, were interviewed.

### [Burnout, low reimbursement rates among factors contributing to physician shortage in Iowa, advocates say](#) | **Des Moines Business Record**

"We are 44th in the nation for the number of physicians per capita," said **Dr. Alison Lynch**, president of the Iowa Medical Society, and a UI psychiatrist and family physician.

### [Trump's Anti-Affordability Agenda Hits Colleges](#) | **The New Republic**

UI sociology professor **Louise Seamster** said on the *Right Now with Perry Bacon* podcast that the administration's changes to financial aid policies will make colleges less racially and economically diverse.

### [Updates to CDC's autism and vaccines page raising concern among Iowa experts, advocates](#) | **WOI-TV**

UI public health professor **Natoshia Askelson** said she finds it very concerning that the CDC isn't following the science they funded.

### [Immuno Nano Med wins \\$15,000 top prize at UI JPEC Innovation Challenge](#) | **Corridor Business Journal**

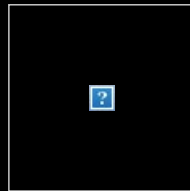

UI pathology professor **Kevin Legge** founded Immuno Nano Med, which is developing an inhalable influenza vaccine.

**[UI Simulation in Motion Truck provides hands on training to local medical professionals](#) | Harlan Newspapers**

Area medical agencies recently received hands-on training when the UI's Simulation in Motion-Iowa (SIM-IA) truck made a stop at Myrtue Medical Center in Harlan.

**[A look at the custom cleats and causes the Eagles are supporting for NFL's My Cause My Cleats initiative](#) | The Philadelphia Inquirer**

Cornerback Cooper DeJean is highlighting cancer awareness and prevention with custom cleats designed to honor UIHC's Stead Family Children's Hospital. Representing the school's colors, the cleats feature a yellow colorway with a painting of the hospital on the inside of the shoe. Different colored handprints decorate the cleats, and "Iowa" is painted along the outside.
